Family Fantasy Football Name Vote

FAMILY LEARNING | FICTIONAL PRACTICE FAMILY ACTIVITY

NAME _____	DATE _____	SCORE _____ / 1

STORY Read the story, then answer the questions.

Build a shortlist

Choose a name everyone can comfortably say aloud. Leave out private information. A league name belongs to the whole group; each participant may still choose a separate team name.

Three original options: Sunday Story Squad; The Huddle Club; First Down Family.

Nomination sheet

Option A: _____

Option B: _____

Option C: _____

One reason each name fits our group: _____

Vote once, then count

Voter initials: _____ My choice: A / B / C

Copy this line for each participant or use separate slips.

A tally: _____ Total: ___

B tally: _____ Total: ___

C tally: _____ Total: ___

Total votes: ___ Number of voters: ___

If there is a tie, hold one friendly second vote using the tied names.

Our result

Our league name: _____

One kind response to the result: _____

About the score

The score box counts the multiple-choice check; written responses are for explanation and practice.

MATH Math practice. Show your work.

1 **In a fictional vote, A receives 3 votes, B receives 2, and C receives 1. Which statement is correct? Show your work.**

(A) Six people voted, and A received the most votes.

(B) Five people voted, and A received the most votes.

(C) Six people voted, and C received the most votes.

(D) Three people voted, and B received the most votes.

Separate these pages before giving the worksheet to students.

MATH

1 **A** Six people voted, and A received the most votes.

3 + 2 + 1 = 6. Three is the largest count.

2 What a good answer includes:

The vote total should equal the number of valid one-vote participants.
